## About Our Company

SIMZ medical supplies Co. is a trading company that is committed to delivering quality medical supplies. SIMZ prides itself in delivering single use and reusable Dental, Surgical and Orthopedic instruments. Our products are manufactured by using the highest quality stainless steel (AISI, ASTM and DIN standards, which is imported from Germany, Japan & France). We are committed to producing and serving the best quality instruments. We are devoted to delivering quality products at affordable prices.

### 1 Dental Instruments

Dental instruments are tools that dental professionals use to provide dental treatment. They include tools to examine, manipulate, treat, restore and remove teeth and surrounding oral structures

### 2 Surgical Instruments

A surgical instrument is a tool or device performing specific actions or carrying out desired effects during a surgery or operation, such as modifying biological tissue, or to provide access for viewing it

### 3 Orthopedic Instruments

Orthopedic surgery instruments are designed for surgeries related to muscles, joint, ligaments and bones. Our extensive range of orthopedic instruments accommodates a variety of medical approaches
